## Cosmetology Pathway Sequence Document

A CTE program should include a minimum of three sequential semesters (career technical schools must include a minimum of five semesters) that culminate in the required capstone course.

\*Work-Based Learning (WBL) courses have been established for each CTE Pathway. These work-based learning opportunities are optional, and students may enroll in them during the same term as the capstone course, or in a term following the capstone course.

\*\* Credits can be transcribed at the specified postsecondary institutions.
